Italian-

- Basic vocabulary
- Common sayings/ greetings

Science-

Our topic this half term is "Plants". The topic during the second half term will be "Forces & Magnets".

You can help your child by

- Provide them with a quiet place to work and time to complete their homework to a high standard and ensure they bring it in on time.
- Look at each piece of homework before it is handed in to ensure it is of an acceptable standard.
- Ask them questions to help develop their skills in time, money and measure in real life situations.
- Help your child search for resources for their topic work. Also visit our website for ideas.
- Label your child's clothes, with their name so that property can be returned if lost. Also ensure your child has a complete and clean PE kit for the days they have PE.
