

- P.E.- This will take place on Wednesday afternoon with Mr Jones. We will also be doing some Gymnastics work in the hall on a Monday afternoon.
- History- We will be learning about the life of Anglo-Saxons in their settlements through a series of engaging activities.
- I.C.T.- We will be using Microsoft Publisher to produce a fact file about the Anglo-Saxons.
- Art- This half term we will be focussing on sketching, on how to draw in the style of a certain illustrator.
- PSHE- The children will work through a unit entitled 'Difference and Diversity' where we will explore differences between people and the importance of respect for those different to ourselves.
- French—We will be revising our numbers and months, and starting to learn how to ask and say what pets we have.
- Music- The children will continue with Mr Baugh on Friday mornings. They will continue to learn how to play a range of songs on the keyboards, steel pans and drums,

St. Joseph's Catholic Primary School

SPRING TERM *FIRST HALF*

Curriculum Information

Year 4

General Information

Please find in this booklet information about the work your child will cover during the first half of the Spring Term in Year 4. We hope that this is helpful and allows you to discuss and support your child's schoolwork.

Teacher— Miss Hunwick
Classroom Assistants- Mrs Chave & Mrs Richardson

Key Events

Friday 11th January WOW Assembly
Tuesday 22nd January Mass in school 9.15am (Year 4)
Wednesday 23rd January Handball taster session at Cardinal Griffin (Year 4)
Friday 25th January WOW Assembly
Monday 28th January Computing Week
Friday 1st February Computing week assembly
Friday 15th February Finish for Half Term

Homework

Homework is sent out on a Friday and should be returned by the following Thursday.

We will endeavour to hear each child read at least once a week. This will include individual and guided reading. Please continue to hear your child read at home. Reading at home is vital to develop your child's fluency and understanding. Try to hear your child read daily where possible and encourage them to recall the story back to you.

R.E.

- Christmas.
We will complete our unit on Christmas looking at the importance of the angels in the story.

- Jesus: light of the world and beloved Son.
We will study some important stories in the life of Jesus and the revelation of his presence in the world. We will learn more about Baptism.

Literacy

Following the new curriculum, the children will be exploring many different units of work. We will be looking at Persuasive texts, along with Fairy tales and Play scripts. Through these units we will look at key vocabulary needed to compose these styles of writing.

Numeracy

- Recognise and show, using diagrams, families of common equivalent fractions.
- Solve problems involving increasingly harder fractions to calculate quantities, and fractions to divide quantities, including non-unit fractions where the answer is a whole number.
- Add and subtract fractions with the same denominator
- Revise division and how to divide 3 and 4 digit numbers.

Science

This half of term the children will be finding out about Classification

We will be learning to:

- Identify animal groups in different ways
- Identify plants in different ways.
- Learn about Carl Linnaeus, the Scientist behind classification,
