

PE AND SPORT PREMIUM

Sport Premium funding comes directly into school and is based on the number of primary children in Years 1 to 6. Schools are free to pool resources to ensure the greatest impact.

Sports Premium is focused on improving the quality and breadth of PE and sporting provision for all pupils. The proposal includes recommendations to develop initial teacher training and continual professional development to make a sustained impact on the quality of physical education. A priority must be to develop the teaching skills of non-specialist teachers to create dynamic and enjoyable experiences for children.

Sport Premium Allocation

Total Number of Pupils on Roll Y1 to Y6 January 2017	179
Total Amount of Sports Premium to be Received 2017/18	£17,790

Projected Sport Premium Spending 17/18

At St Thomas More's we have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Physical Education: Raising standards of all our children in Physical Education			
Resource	Impact Group	Intended Outcomes	Evaluation/RAG
Points Network Games subscription fee	All	To enable participation in competitive sporting events, staff training session, Young Leaders training, sports ambassador training and curriculum support.	Children from Y1 to Y6 participated in sporting events across the year. Play leaders training undertaken and successful in supporting active lunchtimes & fair play. Reduced behaviour incidents at lunchtime.
Specialised sports coaches: SUFC	ALL	To improve the quality of teaching and learning To develop teacher confidence in using a range of teaching and learning styles in PE To improve the behaviour of and engage children to be more	Some increase in teacher confidence. Look into Sports Apprenticeship to provide more ongoing support for pupils.

		active during break and lunchtimes Ensure all children are supported to be physically active Curriculum support in maths & literacy	Reduction in lunchtime incidents. No exclusions 17/18 Meet requirements for minimum 2 hours physical activity per week
PE conference	ALL	To improve knowledge and understanding of PE coordinator To inform / develop ways in which we can increase the amount of high quality PE teaching (outstanding – 2 hours a week)	CPD attended. Investigate alternative PE schemes
I-moves resource	ALL	To improve the quality of teaching and learning	Some impact – review current scheme and investigate alternatives

Healthy Active Lifestyles: Ensuring all our children have access to regular exercise			
Resource	Impact Group	Intended Outcomes	Evaluation/RAG
Extra-curricular activities	All	All children have the opportunity to take part in a range of extra-curricular activities during and outside of school time. Specialised instructors are employed, with some sessions funded by school.	Range of sporting clubs offered across the year, some by specialist coaches. Contributes to minimum 2 hours physical activity every week
Potential new adventure playground or MUGA	ALL	Increase physical activity/active playgrounds and high quality resource	New adventure playground installed and supporting increased physical activity

Competitive School Sports: Increasing pupils' participation in extra-curricular sport			
Resource	Impact Group	Intended Outcomes	Evaluation/RAG
Participation in school games competition calendar developed with School Games organiser/Links SSP.	All	To increase competitive sport opportunities for children.	Variety of competitive sports opportunities offered to pupils across the school
Points Network membership: including family of schools	All	To increase competitive sport opportunities for children.	Variety of competitive sports opportunities offered to pupils across the school

Additional Information

This year we have continued links with SUFC. A specialised coach is working with two classes per half term and providing an after school club. This programme is on a two year cycle which enhances CPD of staff whilst boosting participation in clubs and organised competitions.

A new scheme of work called by imovedance.com is being used in school and staff report this is supportive in teaching aspects of PE curriculum

Additional information:

At St Thomas More's every pupil participates in at least the minimum 2 hours of physical activity per week. Pupils across Key Stage One and Two take part in Games, Gymnastics, Dance and Swimming lessons, planned and delivered by teachers and sports coaches. Lessons are fun and challenging yet offer structure to provide progression for all pupils regardless of ability. Lessons provide a balance between healthy competition and skill acquisition, allowing for development of social and emotional skills such as teambuilding and problem solving, as well as widening their physical abilities.

Gymnastics & Dance:

In Key Stage One, pupils have been investigating a range of movements including rolls and jumps using different speed and levels. Pupils have learnt to use space safely working both on the floor and mats and apparatus.

In Key Stage Two, pupils have been exercising balance and control through performing rolls and jumps and using different speed and levels. Pupils have created sequences of controlled movement working both on the floor, mats and on apparatus.

Swimming:

Pupils at St Thomas More are fortunate in that they have access to the statutory school swim offer in KS2. This gives our pupils every chance to swim the required 25 metres by the time they complete year 3.

After school activities:

A range of after school clubs have been available for both key stage one and two pupils including multi-sports, football, trampette and gymnastics. These have been well attended and

have complimented the learning taking place in school PE lessons as well as building stronger foundations for pupils participating in partnership competitions and events.

Sports Day:

At St Thomas More we love to promote healthy competition. Sports Day is the big finale of Sports! It involves all children from F2 right through to Y6. Teams are given an adopted country for the event of which the children research and compete in the colours of the country. All events are chosen for all children to showcase their talents. All staff put on their trainers and helps their team through the event! It is a bright, joyful event to end our sporting school year of which everyone thoroughly enjoys.

Future Plans

We plan to evaluate the impact of how we have used our Sport Premium allocation. If the impact is positive we will continue to use the money to improve the quality of provision.

In addition, we plan to:

- Continue to targeted children for lunchtime and afterschool clubs to enhance the children's confidence, independence and team work.
- Continue to offer support to gifted and talented pupils
- Continue to offer a broad and extensive range of extra-curricular sporting events.
- Continue to provide positive and informative CPD for staff relating to their needs
- Employ another apprentice who would be studying a Level 2 or 3 qualification
- Develop awareness of healthy eating and a balanced lifestyle

SPG spending Academic Year 2017/18

Projected

PE resources	£2000	Improve PE resources

Total SPG projected to receive	£17,790
Total SPG projected expenditure	£17,790
Total unspent SPG	£0

Summary

The governors and leadership team of St. Thomas More's School will continue to review the impact of the Sports Premium Grant annually to ensure the most effective use of expenditure in order to deliver our stated objectives. We are committed to ensuring that our disadvantaged pupils have the necessary provision and resources to succeed in attaining at least as well as other children by the time they leave the school.
