Dear Parents/Carers

Year 1 and Year 2 - CHOL Theatre Company
National Arts and Literacy Project

We have arranged a very exciting opportunity to participate in a National Arts and Literacy project which will entail welcoming 'Chol' into school to work with our Year 1 and Year 2 children as our company in residence this year.

Chol will bring their unique live story-making process into school to work alongside our teachers and your children on several exciting projects within the curriculum.

The children will have the opportunity to enhance their literacy by stepping into their own imaginary world, which will lead their learning, as well as create and share their wonderful stories through a series of short animations.

Parents and carers will then be invited to a premier film screening and the sharing of the children's work in the summer term.

This experience is supported by the Arts Council England and the Paul Hamlyn Foundation which means that we only need to contribute a small amount of match funding in order to embrace this rich experience in school.

To help cover the cost of the match funding amount required we are inviting a voluntary contribution of £6.50 per child. There is no obligation to do so however, and your child will not be excluded from this activity should you decide not to contribute. However, if there are insufficient responses this will impact on our ability to arrange similarly exciting experiences in the future for the benefit of the children. If families who currently receive benefits need assistance with the cost they are asked to contact the school in confidence.

We are pleased to be able to offer the children this exciting opportunity and believe everyone, including parents and carers, will find it a very memorable experience.

Please complete the reply slip below and return it to the school office by Wednesday 23 January. Thank you for your continued support.

Yours sincerely

Mrs Atkinson
Deputy Head
