January 2019

Dear

Miss Proctor

RE: Congratulations on your excellent results

First of all I would like to wish you and your school a Happy New Year – I hope you all had a wonderful Christmas and have managed to find some time to relax.

I would like to take this opportunity to congratulate you, your staff and of course your pupils for the recent results for Key Stage 2 for 2018, which have recently been published.

I acknowledge and would like to thank the hard work of the teachers for not only being able to achieve some of the best results, but also adjusting to the reformed tests which have been more demanding. The national average increased from 61% to 64%

Once again I would like to wish you all the very best for 2019, and if you would like me to visit your school, please contact my office and we will make some arrangements

Kind regards

Craig
