

## **Jerry Folkson – LA Governor**

I strongly support the "Marlborough Experience"-in both providing an enjoyable high quality learning environment for all children-whatever their need, and promoting positive values, social development, confidence and responsibility. I initially became a parent governor in 2002 to help support the Marlborough ethos. After my daughter transferred to Secondary School, I decided to become a Local Authority Governor in order to contribute my previous experience as a Governor to setting the strategy and ethos of the School to meet new challenges and expectations.

I have over 30 years' experience as Manager in The Civil Service and Universities and 25 years' experience as a Governor in a number of schools

### **Kam Gill – Head of School Governor**

I have thoroughly enjoyed working with the school community. I have cherished every opportunity to pursue my personal goal to successfully embed excellent practice in teaching and learning. Part of my vision is to ensure that all staff take genuine responsibility towards the school and accept that they are accountable for its success.

I am extremely proud and privileged to be able to play a key role in maintaining and developing the excellent reputation the school upholds. We have a highly committed team of governors and an enthusiastic, hardworking, dynamic group of staff. We all share a common vision and set of goals for the school's future. It is important to us that every child reaches their potential and this ideal is at the heart of the foundation of everything that we do. I have 15 years of experience in leading in primary education and I consider myself as a lifelong learner. I am a firm believer that in education you have to commit to developing yourself to stay abreast with new initiatives and approaches to education.

### **Jo Heal - Parent Governor**

I am an office manager in Westminster and previously was a product manager for over 10 years. I have 3 children, all of whom attended Marlborough. I became a parent Governor in December 2012 and I am pleased to say have been a part of the positive journey Marlborough has been on.

I am currently Vice Chair of Governors, Deputy Safeguarding and SEND Governor. I feel it is important that schools offer an equal opportunity and a high level of education to all children, whilst supporting their emotional needs are developing their life skills.

### **Nicole Lewis – Co-Opted Governor since 2012 (Chair of Governors)**

I have been a governor at Marlborough Primary since 2012 and Chair of Governors and Safeguarding Governor since 2015. Both my children have attended the school and I am privileged to be a Governor contributing to the growth and development of the school and proud of the contribution the school makes to the wider community.

I am a strong advocate that every child is entitled to the very best standard of education, one that nurtures and develops children to be the best they can be.

### **Andrew Lister – Co-Opted Governor**

Andrew Lister has been a governor at Marlborough since 2010. Andrew is a Chartered Accountant and is a partner at one of the big accounting firms. Andrew's principal role on the Governing Body is to review the financial position of the School and he oversees budgeting and financial control. Andrew is currently Chair of the Finance Committee.

**Kate Turner – Co-Opted Governor**

Kate is the Deputy Executive Director at United World Colleges (International) in London, responsible for ensuring that their operations run smoothly. Kate has worked for a number of international organisations, including Save the Children, WaterAid and Voluntary Services Overseas (VSO). Kate has also worked extensively with GirlGuiding UK and the World Association of Girl Guides and Girl Scouts
