Family Mosaic have a drop in session every 3rd Thursday of the month 9am -12 noon at Aryan Medical Centre Felmore. They can help with Free advice and support on a range of issues

Spring Term 2019

If you have any concerns about a child, then please do not hesitate to contact one of the school's Designated Leaders.

Our Safeguarding team comprises of:

Mrs Mulcahy (Designated Lead for Safeguarding)

Mrs Cooper (Deputy Designated Lead)

Mrs Berrada (Deputy Designated Lead)

Our governor with responsibility for safeguarding: Mrs S Carter

Alternatively if you have immediate concerns for a child please don't hesitate to ring the Child and Family Hub on 0345 6037627 or the Police. It is everybody's responsibility to keep children safe.

Young Carers

We have been working hard in school to identify and help Young Carers. Young Carers are often not recognised, as they maybe helping with things inside and outside of the home, without even realising this is the role they are playing. If you think your child may be a Young Carer please let us know as there is help and support available for them. Please contact Mrs Berrada and she will be able to help.

Internet Safety

Can we politely please remind parents that social media can be a dangerous past time for children.

“The minimum age is 13, in compliance with the Children's Online Privacy Protection Act (COPPA) “ For Instagram, Snapchat, Facebook

www.net-aware.org.uk/networks/snapchat/

www.net-aware.org.uk/networks/instagram/

www.childnet.com/blog/age-restrictions-on-social-media-services

Please have a read of these guidelines which will set it out clearly.

Even when choosing computer games for your children, please take note of the age restriction on the games, many games have an impact on the games the children play in the playground because of their content ie fighting games can lead to more aggressive behaviour on the playground.

www.internetmatters.org/advice/online-gaming/

As part of our **#WakeUpWednesday** campaign, we have created a free guide for parents & carers for your school to share about **'Live Streaming'** – a growing trend amongst children and young people across the globe.

Our guide is designed to inform parents and carers about the dangers of live streaming for their children and how they can help control the associated risks.

Please share our free guide for parents by retweeting our guide here: <https://twitter.com/natonlinesafety/status/1004385008562462722>

A Free online Course for parents

Many thanks for your support,
The National Online Safety Team

Internet Safety Day

The 5th of February is National Internet Safety Day, the children will be taking part in activities in school. Please us to keep the children safe by talking to them about keeping themselves safe online.

Road Safety

Year 5 have been learning all about Road Safety this term, they had a visit from the Road Safety team who spoke them and then they went out on a walk to put everything they had spoken about into practice.

Anti- Bullying Week

This year the children all wrote poems which are in the process of being put into a book, once this is done we are hoping we will be able to offer it to parents for a small price with proceeds going to the school.

Keeping Ourselves Safe

Year 1 have been talking about how to keep themselves safe, learning about how to cross the road safely, not talking to strangers, where medicines should be kept and who should give them medicine. They have also been learning about things they mustn't touch round the home eg kettles, irons and plug sockets.
