Dear Parents,

Today I have received a formal complaint, from a member of the public, expressing their concern over the anti-social behaviour which is occurring from the parents who gather outside the main school gates before and after school.

It was reported that smoking, foul language, spitting and the boasting about stolen items is a regular occurrence.

Please be aware that such behaviours will not be tolerated at the Rowanfield schools. It is against the law to smoke in a public space and although outside, we cannot permit this activity within the school gates. If you wish to smoke, please be considerate of others and move away from where parents gather.

May I also remind you that foul language of any nature and anti-social behaviour is not accepted on or near the school premises.

Any of the above behaviours may result in a temporary ban from the school premises. If staff overhear of illegal activity, we will inform the police.

I appreciate your co-operation in this matter.

Regards
