School Aims and Implementation

It is the primary aim of our school that every member of the school community feels valued, respected and that each person is treated fairly. We are a caring community, whose values are built on mutual respect for all in line with our equality policy.

Moorside Community Primary School aims to provide children the opportunity to develop towards their full potential; academically, emotionally and socially:

- Providing the highest standard of education to enable children to acquire the skills, knowledge and concepts relevant to their future.
- Promoting an ethos of care, mutual respect and support, where effort is valued and success celebrated.
- Enabling children to become active, responsible and caring members of the school and wider community.

The school works towards these aims by:

- Promoting high quality learning and attainment.
- Providing a high quality learning entitlement and environment.
- Valuing each other and ourselves.
- Working in partnership with parents and the community

Legal Requirements

We acknowledge the legal requirement stated in the 1988 Education Reform Act 6 (1) and 9 (3), which states the need for each child to attend a daily act of worship either as a whole school, class or group. Parents have the legal right to withdraw their children from the act of worship either partially or wholly but not from school

assemblies. Any parents wishing to do so should contact the Head Teacher. Teachers also have the right to withdraw from leading and taking part in worship but not from Assemblies.

The Collective Worship Policy of Moorside Community Primary School is consistent with the philosophy and aims of the school as expressed in the school prospectus. Assemblies are conducted in a manner that is sensitive to the individual faiths and beliefs of all members of the school.

Through this and in the general ethos of the school we seek to promote our mission statement. 'Proud to Succeed'

It is a time where we come together to share and celebrate our achievements (and sometimes our failures). The worship of the school is based on promoting broadly Christian values, as such; the contributions of all staff, pupils, church and other visitors are valued highly.

Definition of Collective Worship

Collective Worship is a time when the whole school, or groups within the school meet together in order to consider and reflect on common concerns, issues and interests. It offers all pupils an opportunity to worship through engaging in relevant, meaningful experiences and provides opportunities for the pupils' spiritual, moral, social and cultural development.

Aims of Collective Worship

For the School:

Collective Worship contributes significantly to the ethos of Moorside Community Primary School and it is our aim that it is a time when the school community can:

- share common aims and values
- celebrate achievement and special times
- explore together the world in which we live
- develop a community spirit

For the Pupils:

We also intend that Collective Worship contributes to the development of the pupil as a 'whole' person by providing opportunities to:

- worship God
- reflect on that which is considered worthy
- consider spiritual and moral issues
- explore their own beliefs
- develop their own spirituality
- reflect on the direction of their lives

- reinforce positive attitudes
- participate and respond
- reflect on what it means to be human
- consider the wonders and worries of the world

The Contribution of Collective Worship to aspects of the Curriculum

Collective Worship time is distinct from curriculum time. However, in Moorside Community Primary School it will at times feature aspects of the curriculum, which will enhance the experiences of pupils by reflecting on the work done in classes. At times, Collective Worship will enrich classwork through its consideration of subject matter from different perspectives.

The provision of opportunities for pupils' spiritual, moral, social and cultural development is in line with school policy which informs our practice. To ensure Collective Worship provides opportunities for spiritual, moral, social and cultural development it will address a wide variety of themes and topics, use diverse stimuli and resources and provide pupils with the opportunity to 'respond' on their own level.

The Management of Collective Worship

The Senior Leadership Team will plan themes and monitor and evaluate acts of Collective Worship.

The role of the Governing Body is to ensure that there is provision for collective worship through school assemblies.

The Organisation of Collective Worship

Collective Worship is organised to provide a variety of groupings and will take place in the school hall or the classroom, a time table for this is provided in the staff room and on the schools server.

Acts of worship will usually last for approximately 15 minutes, although it is recognized that this time will be shortened or lengthened when it is appropriate.

Leadership

Every member of the teaching staff and occasional visitors will be involved in leading acts of worship at some point in the school year.

Planning Acts of Collective Worship

The content of all acts of Collective Worship will be considered carefully, to ensure relevance and suitability for the ages, aptitudes and backgrounds of all pupils.

Termly planning sheets list themes, special occasions and events, but will be flexible to allow the inclusion of current and topical issues. Weekly planning sheets ensure

that there is continuity and progression, and enable the monitoring and evaluation of acts of worship to take place.

Visitors will be welcome to lead Collective Worship from time to time and will be given guidance on acts of Collective Worship at Moorside Community Primary School. Leaders from faiths and non-religious groups within the area will increase the pupils' awareness, promote respect and raise the esteem of the pupils who belong to these traditions.

The Act of Collective Worship

A variety of teaching and learning styles and active and interactive methods are appropriate in acts of Collective Worship. Any and all of the methods employed in the classroom can be used effectively in acts of Collective Worship. A variety of resources will also be used. Leaders will choose the style/method and resources which are appropriate to the content, the age, aptitude and the background of the pupils.

The content and process must be sufficiently stimulating in order to evoke a response in the individual. This may not be visual, but opportunity must be given to express this response through reflection and prayer.

If announcements are to be given at the same time as an act of worship then they will be of a positive nature, which at times may enhance the act of worship itself. Announcements will be made preceding the act of worship and a clearly defined break between them and the act of worship will be made.

Withdrawal

Our assemblies will be conducted in a manner as sensitive and inclusive as to ensure that all children feel comfortable to attend the assembly. However, parents/carers have the right to withdraw their child from any act or acts of Collective Worship. Those wishing to make such a request are encouraged to discuss with the head teacher: (a) any particular concerns they may have and (b) practical arrangements for the withdrawal.

Other Faiths

Although the majority of our worship will reflect broadly Christian beliefs and values, we are committed to respecting each other's faith stance and culture. Some assemblies will portray other cultures and beliefs as they reflect the RE studied as part of the curriculum requirements.

Record Keeping and Monitoring

Planning for assemblies will be undertaken by the theme leader and a file of these, and evidence through photos etc. will be kept by the Deputy Head Teacher.
