### Swimming

Years 3, 4 and 5 are now having swimming lessons on a Friday afternoon, which will work a lot better with class 2 and class 3's timetables. Children will be having an early lunch and setting off from school at 12:15pm and returning in time for buses. During this time, years 2 and 6 will have some focused time with their class teacher.

### Class 1

This week Class 1 have been continuing their dinosaur topic. Year 1 have been busy writing their own non-fiction books about types of dinosaur. We also enjoyed a fun-filled (and rather loud) visit from Zozo.

### Class 2

LLW Repository and NSG kindly invited us to the site at Drigg which is really important to our local community. We had a very fun morning learning about how low level waste is stored and disposed of safely.

We took part in a practical activity, which showed us the most effective and environmentally friendly ways to dispose of and store waste. We also learnt about the different roles of work carried out on site as well as getting to try on some of the PPE safety wear the staff have to wear whilst working, which ensures their safety. We all agreed it was very tricky with all those layers on!  
We were very surprised with the size of the site and all the different types of jobs needed to make this site work every day.

It was great to meet everybody who we will be working closely with for our Bright Stars project!

### Class 3

On Wednesday, class 3 went to Millom recreation to compete in the Copeland Cluster Athletics competition. We had a great time taking part in both track and field events! It was also great to see lots of our friends from the other schools competing.

### Achievements

Well done to the winners of both the 'burgundy jumper' and 'good to be green' this week. These are:

Class 1 - Isabelle and Logan

Class 2 - Stanley and Kyle

Class 3 - Rory and Aaron

### School dates for your diary

25<sup>th</sup> January - Swimming for years 3, 4 and 5

5<sup>th</sup> February - Safer Internet Day

Kind regards,

ABROSS
