

CHILDREN'S GOVERNMENT

Meeting action points

Date	11.01.19	Start time	2.45pm	Finish time	3.15pm
Location	main entrance				

	Notes and Actions	Owner	Due date
1.	<p>Matters arising</p> <p>❖ Playground accidents</p> <p>ISSUE: people are getting hurt in the playground</p> <p>ACTION: we need to perhaps give a written message to each class to let them know what they should do, remind them about how to behave at playtime; remind them about good manners; want to survey the classes about what they would suggest</p> <p>IMPACT: the children decided that they wanted me to email all the teachers to ask them to talk to the class about this issue. I am also to contact senior MDSAs about this issue.</p> <p>Adult Eco Team met this week and discussed the issue of the raised beds needing removing as they have now rotted. This led to a conversation about alternative 'growing' areas. In light of the Children's Government concerns about safety in the playground the suggestion was made that perhaps we could have stacks of tyres on the corner to force children to take a wider berth going round that area.</p> <p>Mrs Jones volunteered to source some free tyres for us and we plan to re-use the soil from the raised beds, and potentially compost from the compost bins, to fill the tyres. These can then be planted up.</p> <p>Children's Government very much in favour of this solution.</p>	Mrs I	asap
2.	<p>Parking</p> <p>ISSUE: parking around school is dangerous and inconsiderate of our neighbours</p> <p>ACTION:</p> <ul style="list-style-type: none"> written to Anna Soubry MP – replied & coming! written to FHT – replied with suggestions written to parents 16.01.19 Y2 government ministers patrolled outside school with HT, DHT, CoG, vice CoG and SBM, handing out flyers and putting letters on windscreens Have sent Dojo messages about parking to all parents Have been sent some photos of 'inconsiderate parking' from parents <p>IMPACT:</p> <p>We discussed what we would like to see happen to make things safer but agreed that once we know when Anna Soubry is coming we will meet to create a more formal list to present to her all our ideas.</p> <p>The children also commented on the fact that we had not had any feedback from parents. We will dojo parents asking for their thoughts and comments.</p>	Mrs I	Asap
3.	<p>BOB</p> <p>ISSUE: children want to use BOB more</p> <p>ACTION: write to the teachers; consider using after school; put signs up on BOB about how to use it/treat with respect; limit number on BOB at any one time; write to PTFA asking for their help; Mrs I to dojo ministers' parents to explain nature of letter needed</p> <p>IMPACT:</p> <p>We will now send the letters to teachers and PTFA and see what kind of a response we get. The children mentioned potentially being able to use BOB during playtimes and we discussed the issues around 'manning' the library. The children thought it would be a</p>	Mrs I	asap

	<p><i>good idea to have librarians, perhaps 2 on duty at a time. These librarians would be trained and a younger child would always be with a Y2 child.</i></p> <p><i>The children also suggested that taking shoes off would help keep BOB clean.</i></p> <p><i>A card system would help limit the number of children who could be on at any one time.</i></p>		
	<p>AOB</p> <p>Race Track: <i>on-going. Mrs I to try to source some quotes for different surfaces in different areas on KS1 side.</i></p> <p>Meeting day: <i>in light of changes to Mrs Ingram's timetable, due to maternity cover, we will meet on a Thursday from now on.</i></p>		

Date of next meeting: **Thursday 24th January 2019 at 2.45pm in SLT Office**
