- It was a very good production. I enjoyed watching my child having fun and enjoying themselves.
- How animated all the children were and loud also! Really appreciate the effort that goes into this.
- The confidence that the children showed and how each child had a part. The work which had gone into the play was clear and you can tell that each child enjoyed it.
- The lovely storyline and the confident role every child played.
- It was a pleasure to see how the children all performed well together – a lot of songs and lines learnt. Also it was lovely to see how 'brave' they all were when standing and singing in front of so many adults. A truly fantastic performance from all involved! Well done and thank you for allowing us to be a part of it.
- Everything. We thought the effort put in by the school, the teachers and parents and the children was outstanding! Loved making the costumes and practising at home, my child really got involved, loved it!
- Everything particularly the singing. Thought the moral of the story – looks aren't as important as what's on the inside is a good lesson for us all.
- The production was absolutely brilliant. Every child had a role and they all sang and performed brilliantly. The children all looked really happy and obviously enjoyed the production themselves. A lovely start to Christmas!

2. What did you enjoy about your visit to Immaculate Heart of Mary Catholic Primary School this morning?

- Always welcoming and a pleasure to visit.

3. Is there anything you think could be improved with regard to productions and school celebrations?

- I really enjoyed the production, thank you for all the effort put into it.
- To inform parents who don't live with their kids.
- Yes you should start a "costume bank" and ask parents to donate the child's costume to the school when finished with the future years. It's totally pointless buying a new costume every year and a waste of money and more importantly the earth's resources.
- Thoroughly enjoyed it.
- I think so much effort is already put in it would be difficult to highlight any improvements.
- No. Thanks to everyone involved it was fab. Thanks for your hard work.
- No – the addition of the microphones and improved sound system was fantastic. It was lovely to be able to hear each child so clearly.
