**3. Is there anything you think could be improved with regard to nativities and school celebrations?**

- Nothing at all. We can't wait for next time.
- Not sure – we all loved it! Thank you!
- Completely out of the teacher's control but it would be nice if the parents could arrive on time rather than disturbing the performance and also standing up to take photos when people have (quite rightly) been asked not to!
- No, enjoyed the whole morning. Staff must have worked very hard to have the performance ready. Thank you for a lovely morning.
- No. Thank you so much to all involved, we loved it. Amazing how good the children can be in such a short period of time. Singing was great and they knew the words!
- I think the issuing of tickets with seat numbers was very helpful and helped things run smoothly – fantastic work by all teachers involved.
- After nativity first should be possibility of taking pictures then should chat with kids. Some parents wanted to talk, other take a picture – all at the same time so I don't have any good photos and could only give my child a quick kiss.
