

Dear Parents,

🎉 [Monday 21st January 2019](#) 🎉

🎉 High 5 and Handshake Day 🎉

At Wood's we love to give gestures of positivity in our schools. [On Monday 21st January](#) (supposedly Blue Monday in the UK) we intend to go overboard on the High 5's and handshakes and we wondered perhaps if you would like to join us?

We want all our families and indeed our friends in schools across the County to join us by giving out 'High Fives', handshakes or any action that promotes that positive emotion that we all need in our lives.

We are looking for children to give thousands of happy actions and spread the happiness in Woodborough, Nottingham...in fact as far and wide as we can possibly go!

We are joining a number of schools across the county who are doing this. We will have a few children on the playground before and after school to spread the happiness. Each teacher has something special planned for their class.

Please join in, get involved, follow our attempt to tackle 'Blue Monday' with 'High Fives & Handshake Day'.

If this is not for you .... best wishes anyway! We will send you a virtual 'High 5' regardless and hope that you have a positive week.

Best wishes

Mr S Hopwell  
Headteacher
