

As Geographers we will:

Locate the World's countries and name the continents and oceans. Investigate further the countries of Europe, concentrating on their environmental regions, human and physical features, countries and major cities.

As Designers we will:

Investigate structures and how they are strengthened. Look at sculptures and landmarks across the world and why people are drawn to them.

As Citizens we will:

Investigate migration and the importance of charities supporting refugees. Look at how Christianity has spread across the world and compare similarities and differences between worship.

As ICT technicians we will:

Use databases to sort information. Begin to use email as a means of communication.

As Athletes we will: perform dances using a range of movement patterns. Develop understanding of tactics and control through Hockey.

Location, Location, Location.

As Historians we will:

Investigate the life of Hans Christian Anderson.

As Mathematicians we will:

Compare maps and graphs and extract information about weather, climate and population. Research currency and time zones.

As Musicians we will:

Compose and perform music using the pentatonic scale. Learn traditional European songs.

As Scientists we will:

Learn about Living Things and their Habitats.

- We will use keys to classify living things.
- Explore habitats for a variety of animals.
- Understand the characteristics of living things.
- Identify dangers to wildlife in the local and wider environment.

As Authors we will:

Read stories of Hans Christian Anderson and write our own adventure stories, using similar techniques.

Read and write poetry based on countries in Europe.

Continue to learn the Year 3 spellings.

As Artists we will:

Study and compare the art work of Wassily Kandinsky. Create our very own 'Circles' painting considering the effects of warm and cold colours.

Book: Stories by Hans Christian Anderson
Song: Magic Travel Machine
