New Road Primary School

Weekly Newsletter—Week 17

Weather Conditions

Well it's that time of the year when the 'fluffy white stuff' starts to fall from the skies! However beautiful the snow can be it does create a few problems so I just wanted to mention things before it arrives. Firstly, can you please send your child in with hats and gloves as we do try and get out during the cold spells but we want to make sure all the children are warm. If we do have snow in a morning, we do hope to open school if it is safe to do so. The decision is based on a few considerations including a site inspection (including access) as soon as we can get to school, the number of teachers who are able to get into school as the majority of staff are not local and the weather forecast for the rest of the day. We aim to make the decision as soon as possible that morning but it can be delayed due to all the areas that need to be considered. The school will update—www.calderdale.gov.uk/education/closures. Let's hope we don't have to worry about this for a while !!!
