NEW OUTDOOR GYM EQUIPMENT

The new outdoor gym equipment in the playground has now been installed which has been funded with Sports Premium Funding. It will be ready to use from Monday which we are all very excited about!

Each year group will be allocated a day to use the equipment during lunchtimes. The equipment will also be used for PE lessons and daily 15 minutes of physical activity a day (huff and puff time) which is being introduced. We are looking to buy a solar powered stop watch so that the children can also undertake interval training.

BEFORE AND AFTER SCHOOL CLUB SPACES

Spaces have become available in the following clubs :

UDance which is held Wednesday's before School from 8 am to 8.50 am

Performing Arts which is held Friday's before School from 8 am to 8.50 am

Please contact the office if your child would be interested in attending these clubs.

MOBILE PHONES/SMART WATCHES

Please be reminded that all mobile phones must be handed into reception at the beginning of the school day and can then be collected at the end of school. Children are not allowed to have their phone within their possession during the School day.

Smart Watches which enable a child to make phone calls or receive texts should not be worn during the school day but should also be handed into reception at the start of the day following the same procedure for mobile phones.

SCHOOL CALENDAR

Apologies from the PTA. It has been brought to our attention that there is an error with the numbering of the days within the months of April, May, July and August. The calendar has some lovely photos of the children along with useful school dates and are still available should anybody wish to purchase one.

COLD WEATHER

With the weather forecast to be turning colder over the next week, please could you ensure your child comes to School with a coat and hat and gloves. As a reminder should we need to close the school due to exceptionally bad weather a text will be sent. Please also check the website and Radio Northampton where announcements of school closures are broadcast.
