PAYMENT FOR TRIPS

A reminder that payments for trips and other school items can be made online. This would be beneficial to the school as it reduces our costs and also means we do not have to keep money on the school premises. The payment online tab is on the front page of the website.

SENSORY ROOM

Thank you to our Grange SEND Group for planning a sensory room. If you have any cushions, bean bags or tactile items in good working order, inform the school office or a GSG Parent.

PARENT GOVERNOR

Letters were sent to parents this week for nominations for the crucial role of Parent Governor. If this is a role which interests you please hand your nomination into the school office addressed to Mrs Panchal. The closing date is 28th January at 3.30pm.

LADY OF THE LAMP

Sandpiper class kicked off 2019 with a lovely assembly about Florence Nightingale and her role in the Crimean War. I was particularly impressed that she threw the rats out of the hospital!
