Stars of the week—Riverwood

This Monday we will holding our annual Better Living Day. The team from Calderdale council will be joining us for the day to deliver a series of workshops around healthy living for all classes from Y1-Y6.

The workshops will focus on healthy eating and the importance of regular exercise for the classes Y1-Y4. Years 5 and 6 are having a tailored workshop around well-being.

At the same time all our Reception and Y6 pupils will have their heights and weights measured as part of the national programme.

Boys Choir

Following the success of our participation in the Big Sing last year, Calderdale Music Trust have selected Copley to take part in an initiative around getting more boys singing. All our Y5 and Y6 boys are having a weekly session with a singing teacher, William Marshall, from the music trust. Several other Calderdale schools are also taking part. The project is for around six weeks and will culminate in a concert to be held at Ryburn Valley High School. Details of the concert date will be released as soon as I have them.

PARKING

Please can we reiterate the importance of not parking on the yellow zig zag lines outside school. We had an incident this week when a car mounted the pavement (in this area) to drop a child off, at the same time another child was walking along the pavement.

If this continues we will ask the traffic police to monitor parking outside school

DINNER MONEY

If your child has a dinner every day the cost will be £63.80 taking you from Tuesday 8th January to Friday 15th February.

Otherwise, dinners are £2.20 / day, please calculate accordingly and send payment promptly each week.

We are unable to allow debts to accrue beyond three weeks. On the Wednesday of the third week you will be reminded of your outstanding balance and this should be paid by the Friday. If this does not happen your child must bring a packed lunch until the debt is cleared.
