

It has been a very positive week in school with children working hard on their exciting topics and demonstrating the progress they have made through assessments.

We are looking forward to science week with a visit from Eureka on Wednesday, 30th January. Please follow us on Twitter as we will be posting photos and information throughout the week.

The weather over the next few weeks is set to be very cold with the possibility of some snow. Please make sure your children have warm coats and suitable footwear. In the case of heavy snow please check your texts and the school website for information.

Year 4

As part of our Egyptian topic, we have thoroughly enjoyed mummifying tomatoes. We scooped out all the gooey middle then dried the insides. After, we filled them with a mixture of salt and bicarbonate of soda. Now we have to wait and see! All shall be revealed at the end of the half term.

A big thank you to those parents who attended the meeting for the PTA on Thursday afternoon. It was a very positive meeting with new ideas for fundraising and community activities. Watch this space for information about future events and how you can help.

General Reminders and Information

- **Annual Permission slips**
Please remember to return your permission slip to school as soon as possible and also follow our account on Twitter @ DDFNS.
- **Holiday Club**
Holiday club will be open to 2-10 year olds. Monday 18th February – Friday 22nd February. Booking forms can be obtained by contacting the office (parents@denbydale.education). Places will be limited, so please ensure your form is returned by Friday 1st February
