

Topic - BIG BANG!

On Monday, we met local author Lou Treleven. She told us some of her stories and we created our own inventions like the Oojamaflip from her book Professor McQuark and the Oojamaflip. It was a lovely way to start our book based topic.

Writing

After reading the story of Lila and the Secret of Rain, we made story map plans and then wrote Lila's diary. As well as describing the events, the children have been including questions and the character's feelings.

The TT
Rockstars
Battle ends at
8pm tonight!

Reading

This week has been full of reading. I am so pleased with how well the children are coming on in their guided reading groups. We've also done a lot of inference and prediction work on our new book: Lila and the Secret of Rain.

Topic - Art

We made sunset paintings by looking closely at photographs from the African plains. The children mixed their own colours to recreate the yellows, oranges, pinks and purples from the photos. Next week, we will add silhouettes of trees and animals!

Reminders

Library books are changed on Fridays.

Fri 1st Feb - Year 2 sharing assembly (9:05 am)
