.....

14<sup>th</sup> January 2019

Dear Parents/Carers

We are writing to invite you to a Reception Maths workshop on 30<sup>th</sup> January at 3.30pm. We are hosting this workshop to help you become more informed in how we deliver Maths in school and how your child learns to count, recognise numbers and solve calculations. They will be informal sessions where you will have the chance to understand the methods we use, play games and do the activities with your child.

At the end of Reception, all children are assessed against the Early Learning Goals. This workshop will enable to support your child at home with their Maths.

To support you in supporting your child, we recommend that you, or a member of your family who regularly reads and cares for your child (grandparents, other carers, etc.), attends the session detailed below if at all possible. Please complete and return the attached slip to confirm your attendance.

Thanks for your support, Reception staff

I will be attending the phonics workshop on Wednesday 30<sup>th</sup> January at 3:30pm

I will not be attending the Maths sessions.
