

As Geographers we will:

- Use aerial photographs to recognise landmarks and basic human and physical features of the local area.
- Use maps and create simple maps with basic symbols in a key.
- Use fieldwork and observational skills to study the local environment.
- Use compass directions, locational and directional language.
- Use world maps, atlases and globes.
- Access online google maps.

As Musicians we will:

- Share a variety of pieces of music for movement and to represent different types of animals.

As Scientists we will:

- Identify and name a variety of common animals.
- Describe and compare the structure of a variety of common animals.
- Explore and compare the differences between things that are living, dead, and things that have never been alive.
- Identify that most living things live in habitats.
- Describe how different habitats provide for the basic needs of different kinds of animals and plants.
- Identify and name a variety of plants and animals in their habitats, including microhabitats.
- Describe how animals obtain their food from plants and other animals.
- Understand and create simple food chains.

As Athletes we will:

- Master basic movements including running, jumping, throwing and catching.
- Participate in dance activities.

Location, Location, Location.

As Computer technicians we will:

- Use technology safely and respectfully keeping personal information private.
- Follow and create simple instructions. Use these to move around Helmsley.
- Use technology purposefully to create, organise, store, manipulate and retrieve digital content about our local area.

As Mathematicians we will:

Maths work will include; place value, addition and subtraction 2D and 3D shapes, money multiplication and division.

Books:

Hedgehog - Dick King-Smith, Gruffalo - Julia Donaldson, Selection on Non Fiction texts about North Yorkshire.

As Designers we will:

- Design one of the man-made buildings found in Helmsley.
- Select from and use a wide range of materials and components, including construction materials, textiles and ingredients, according to their characteristics.
- Generate, develop, model and communicate their ideas.

As Authors we will:

- Write a non-chronological report about one of the towns in our area.
- Write a non-chronological report about an animal.

As Artists we will:

- Develop a wide range of art and design techniques in using colour, pattern, and texture.
- Learn about artists that created pictures about the Yorkshire area - David Hockney and LS Lowery.
- Compare and contrast the different styles of the local artists from the area.

As Citizens we will:

(PSHE and RE)

- Think about relationships with others.
- Discuss questions that puzzle us about our local area and the things God has created.
- Discuss the Christian festivals that are celebrated in Holy Week and what we celebrate our local area.
