## Welcome back!

I hope you had a wonderful Christmas holiday.

Our question for this term – If you went down to the woods today what would you find?

## Projects this Term:

This term we will be focusing on traditional tales especially Little Red Riding Hood, Hansel and Gretel and The Three Little Pigs.

In English we will be writing our own version of these traditional tales. We will also be writing instructions and rhymes.

In Science our focus will be materials. We will distinguish between materials and objects and look at different materials including wood, metal etc.

Forest School will be starting this term. Children will need several layers to keep themselves warm outside. If you have any questions about Forest School please do not hesitate to dojo me or talk to me at the end of the day.
