Dear Parent/Carer,

PARENT GOVERNOR ELECTION

I am writing to you to invite you to stand for election as a parent governor. In our school we have provision for a minimum of two parent governors and there is currently the opportunity to fill 3 vacancies as existing governors come to the end of their terms.

The governing body, with the headteacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- *Ensuring clarity of vision, ethos and strategic direction;*
- *Holding the headteacher to account for the educational performance of the school and its pupils; and*
- *Overseeing the financial performance of the school and making sure its money is well spent.*

No special qualifications are needed and the most important thing is to have a keen interest in the school and be prepared to play an active part in the governing body's work. Training is available for all governors and this governing body has an expectation that those new to being a governor, attend free Induction training.

Please see the school website or APP for guidance on circumstances under which someone can or cannot not serve as a governor. In addition, parents/carers who have paid employment in the school for 500 or more hours per academic year or who are elected members of the Local Authority, are not eligible to stand in these elections. Nominations must be from parents or carers with children at the school on the day that nominations close.

If you would like to stand for election please complete the enclosed nomination form and return it to the school no later than Friday 15th February 2019. You may also include a short personal statement to support your nomination, which should be no longer than 250 words.

If there are more nominations than vacancies, the election will be by secret ballot. If that is necessary, voting papers will be sent to all parents together with details of the ballot procedure.

Yours faithfully,

Mrs P. Duynstee
Headteacher

OFSTED April '18: This school continues to be good. The leadership team has maintained the good quality of education in the school since the last inspection.
