

Lisa Welburn – Staff Governor

Name: Lisa Welburn

Membership: Staff Governor

Experience: Appointed September 2018

Introduction:

As a child I grew up in Wetherby, and was privileged to benefit from a Catholic education, attending St Joseph's RC Primary, Wetherby and St John Fishers High School, Harrogate. As a result I am very proud to be a teacher and governor at St Edward's Catholic Primary School and naturally, I want the very best for all the children at our school.

I studied at Durham University for six years gaining a First Class Honours Degree in Psychology (BSc. Hons); a Post Graduate Certificate in Education (PGCE) in Primary Education; and a Masters in Education, which I completed part time during my first two years of teaching. Consequently, I have a strong interest in research-led education and have shared my own research with recognised leaders in the educational field.

In school I enjoy sharing my love of learning with all pupils and I lead Mathematics and Computing. As well as this, as Assessment Co-ordinator, I track, analyse, and ensure high levels of pupil progress for all children from Foundation Stage to Year 6.

I am determined to provide the children with a happy, safe and enriching environment, where they can be inspired to learn and encouraged to reach their full potential.

Role on the governing body:

As well being a member of the full governing body, I am also a member of the Teaching and Learning Committee and Admissions Committee. The committees additionally meet termly to consider issues related to teaching and learning within the school: standards and achievement; curriculum provision; and monitoring teaching and learning in the school.

I am the named governor for Early Years Foundation Stage and Extended Schools.

Business interests: I have no business interests to declare.

Skills relevant to the governor role: Teaching skills; Team working; strategic planning; people management; educational research; data analysis; and project management.
