

# Weekly Parentmail 18th January 2019

Dear Parents/Carers, please find below information for all classes. Thank you, School Office

## OFSTED

As you know we had our Ofsted inspection this week. The outcome of this is confidential until the report is published, however I would like to thank the parents who sent e-mails to school wishing us well and the parents who offered words of support to staff around school this week. I was very proud of the children who behaved as well as ever and were polite and respectful to the inspectors.

As you can imagine, it has been a very tiring week for staff and I would like to thank them all for their hard work and dedication, not only having the pressure of someone observing them in class and around school, but also the many meetings that some staff had to take part in, to talk to inspectors about their roles in school. I am very proud to be part of this team.

I will let you know when the report is available.

J. Newby

## Staff Vacancy

Relief Kitchen Assistant to cover absence/extra support on special occasions as and when required (2 hours over midday period).

If you are interested in this position please contact Mrs Asquith in the school office on 01430 422526. Thank you.

## Allergies in School

Within our school environment we sometimes have children who have different allergies. This currently includes some children with nut allergies. In order to control this situation, we would therefore ask that no food is brought in to share with classes that contains nuts.

In addition, we would also ask your support with this when preparing your child's packed lunch.

Thank you for your support and understanding.
