Please could you help **myself and the kitchen staff at lunchtimes** as we are currently having some issues with **menus**. Children consistently tell us that parents are filling in their menus without them present and they do not like the choices made for them, hence they will not eat their lunch. Mrs Farley cooks exactly what has been ordered to avoid waste so there is no alternative for children when they arrive at the hatch. I appreciate that you might be trying to encourage your child to be more adventurous but this is difficult for us to cope with if children refuse to eat. There is a wide and varied choice of meals, many schools have no choice at all, therefore we feel that there will always be something on the menu which your child would eat. Thank you for your help.

Absence letters for the second half of the autumn term will be coming out this week. As has been explained previously, these are a statutory requirement for us to send out in relation to your child's attendance, be it for illness or holiday absence. If you have any queries please see me in school.

Any outstanding donations for the recent **Roman Workshop in Class 5** can be paid online.

A lot of valuable office time recently has been spent chasing up **arrears of dinner money**. Please could you help us by ensuring that your child's dinner money is paid at the start of the week.

Well done **to our 5-a-side football** team who played very well at The Sands on Saturday morning. They left unbeaten and only missed the semi-finals due to goal difference. All the children were extremely well behaved and myself, Miss Eve and Mr Langstaff were very proud of them all.
