Welcome to Spring Term!

Dear Parents/carers,

Firstly, may I wish you all a very Happy New Year! I hope 2019 proves to be a happy, healthy and successful new year for us all. The start of a new term is always difficult and it is especially hard to get back into routines after Christmas. Your children did amazingly well last week so as always, thank you for your support. If your child is taking a little longer to settle back into school then please do not worry, we are here to help so just pop into school and we can talk about any issues and how we can solve them.

Just a reminder that the school day starts at 8.50 am when the doors open and children are invited into their classrooms to undertake some transition activities. It really helps all our children if everyone arrives at the correct time. Obviously every child whom arrives late has to be welcomed into their classroom and have their task explained and this really can disrupt learning for all. We understand that sometimes individual needs and circumstances mean that this can't always happen so again please talk to this if you are experiencing any problems. Hopefully it goes without saying that we would always prefer to your child to arrive late than not at all and just to reassure you, your child would never be 'in trouble' for arriving late as this would always be discussed with parents.

I have outlined the key events that are occurring this half term, which are taken from the diary dates that are shared at the start of the academic year. These will be updated on the website as they occur.
