Dear Parents

New ordering system- School Meals

As you are aware we introduced a new system for the ordering of school meals in October 2018. Overall the system has been well received and appears to be working well. The children seem to enjoy the new system and we hope you are finding it easy at home to order and pay for their meals.

One advantage of this system is that it highlights any dietary violations to our catering team e.g. if you have informed school your child is vegetarian and then you order chicken it will 'flag' this up in red. The onus is with **YOU** as the parent to ensure the meal you order is suitable for your child. We would ask if you are unsure of any item on the menu, please contact the school office to check it is suitable.

Please note we do not serve HALAL products so when making your meal choices please select the vegetarian option.

If you have any questions regarding this please do not hesitate to contact us.

Yours sincerely

Mr M. Copping
