Dear Parents and Carers,

### St. Mary's Eco Bag.

Last term the St. Mark's team looked at the impact of using plastic bags and the harm they cause to wildlife and in particular our oceans. Many of you will have seen the Blue Planet series from the BBC and noticed initiatives to reduce the volume of plastics we use in our everyday lives.

To help do our part, St. Mark's pupils have designed logos to promote environmental awareness and these have been put together to create a St. Mary's eco bag for life. The eco bags are made from 100% unbleached heavy cotton (40cm x 42cm). They are printed on both sides and include the school logo. Eco bags are reusable and can be recycled at the end of their life. They are ideal presents for family, friends as well as for pupils. We hope the design will encourage everyone who sees them to use eco bags instead of disposable bags.

The bags are £5 each and all money raised from the bags will be used for environmental projects around the school. Look out for the pupils posters promoting the bags around the school. If you would like to order a bag, please complete the below form and return it to school with the money by **Friday 25<sup>th</sup> January.**

Kind Regards,

Mrs Dowling, Mrs O'Regan & Mrs Roddis

**St. Mark's Team**
