Dear Parents/Carers,

I am very pleased to be able to tell you that we have now been given confirmation that our wrap around childcare provision – supplied by JPAC - will commence on Monday April 15th 2019. This is the first day back after the Easter holidays.

Your child/children will be able to access morning sessions which start at 7:30am, with children being cared for until the start of the school day and afternoon sessions which start at the end of school bell and continue until 6pm.

In addition to term time care, holiday provision will also be available all year round and full details of; sessions provided, costings and of course the booking process will be included in a welcome pack which will be sent home with your child in the next few days.

We are happy to answer questions you may have in the interim, but contact details for JPAC will be in the literature and they are very pleased to take your questions directly, over the phone.

We anticipate that this will be a very useful addition to school and hope that it helps many of you to extend your working hours or return to work where this may not previously have been possible.

JPAC would like us to inform you that if you access Working Tax credits, you can claim back up to 70% of your childcare costs.

Yours sincerely,

Anne-Marie Bailey
