Dear Parent/Carer

### **Proposed Amalgamation to Form a Split Site Primary School**

Please find attached a consultation paper for the proposed amalgamation of Cheynes Infant School and Sundon Park Junior School to become a primary school split over two sites.

In the document you will see the times, dates and venues for two drop in sessions either of which you are invited to attend so you can ask any questions you may have. These have been arranged to give you the opportunity to speak to Governors from the two schools and a representative from the Local Authority. As members of staff are also included in this consultation, they have dates to meet with the Governors/LA to ask their own questions and are therefore unlikely to be able to answer your questions.

Please take the time to read the attached document and please do come along to the drop in sessions if you would like further information.

Yours sincerely
