

Date: 10<sup>th</sup> January 2019

Apologies: – Jed

### **Meeting 3**

Our **Christmas Talent Show** was a huge success – thank you Freya and Morgan for comparing so well.

We raised £50 for the **Greenpeace Orangutang** appeal as we sold tickets for every one of our 50 donated teddies. We were shattered wrapping each of them so it was lovely to see that the stall was well attended and they all went to lovely new homes.

#### **This term we plan to . . . .**

Support the visitors from Flat Stan as they come to our school to teach everyone basic **First Aid**. All children in school on the 30<sup>th</sup> January will be part of the training. There will also be an adult's session after school from 3 – 3.30pm.

This reminded us that Mytholm Meadows are raising funds for a **defibrillator** for use in our community – we'd like to help, so Miss Young will contact their centre manager and organise a meeting to discuss ideas.

The NSPCC are holding a **Numbers Day** and we are signed up to it! It takes place on the **1<sup>st</sup> of Feb** and would involve all our children coming to school in something with a number on it. We would run fun games throughout the day and ask people to bring £1 to go

towards the charity's fundraising. We will hopefully be getting a visit from the NSPCC in to school too.

Some of our Ex pupils go to the Ravenscliffe school and so when Miss Young got an email from them asking us to support their mission to get as many Calderdale schools having a dress down day for Calderdale Smartmove we all agreed to sign up for it. It will be on Friday 15<sup>th</sup> – last day of this half term and please bring in a pound so that Smartmove can continue their good work with those who find themselves homeless of our region.

On Friday 1<sup>st</sup> March it's the **Great British Spring Clean**. Miss Young is to look into the possibility of borrowing litter pickers from the council and we thought we'd go out and clean up around our community, and maybe have a poster competition around keeping our streets clean, picking up after your dog etc.

If you haven't heard it's **Red Nose Day** in March. Friday 15<sup>th</sup> will be our dress down and wear RED day.

Year 6 are on their "Reddidential" that day – (thanks for that one Chester!) but they'll still be wearing red whilst they're away.

We're going to meet again next week to look at ideas for the number day.
