VOLUNTEER WORKING IN SCHOOL POLICY

The school's volunteer policy is part of the schools safeguarding system and policy.

Introduction

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of pupils. The Board of Governors therefore, welcomes and encourages volunteers from the local community.

Our volunteers may include:

- Members of the Governing Body
- Parents of pupils
- Ex-pupils
- Students on work experience
- Ex-members of staff
- Local residents
- Friends of the school
-

The recruitment of new volunteers can take up to half a term and intake of new volunteers will be dependent on the candidate and available spaces within school. The smooth running of Moorside Community Primary School pupils will always be a priority. Senior Management maintains the right to refuse volunteers and also terminate placements.

The types of activities that volunteers engage in, on behalf of the school, include:

- Hearing pupils read
- Working with small groups of pupils to assist them in their learning
- Working alongside individual pupils, as an additional tutor
- Accompanying school visits

Our School Aims

All adults / Young People who work in our school, whether a paid member of staff, or a volunteer are expected to work and behave in such a way as to actively promote our school aims and educational purpose, as identified below.

School Vision:

At Moorside Community Primary School all our children will be given the opportunity and experiences to nurture their talent, realise their potential and achieve success in academic and personal development. We will value each other, our families and the wider community.

Becoming a Volunteer

Anyone wishing to become a volunteer, either for a one off event such as a school visit or on a more regular basis, e.g. hearing pupils read, usually approaches the Class Teacher, Head teacher, senior member of staff or the school office. It is the schools decision to take on volunteers and this will depend on the time of year, the number of volunteers we already have in school and the potential impact on the children. Volunteers should complete the Volunteer Application Form (Appendix 1) with a covering letter expressing interest. This should include their contact details, types of activities they would like to help with, and the times they are available to help.

Child Protection and Safeguarding

Safeguarding is our priority and we follow the safer recruitment guidelines to support our commitment to safeguarding pupils, and we expect our volunteers to share that commitment. The process of recruitment of volunteers mirrors somewhat the safer recruitment of paid staff to ensure the most suitable adults for our school.

A list of volunteers will be kept up to date and is the responsibility of the School Business Manager. To ensure the safety of our pupils, we adopt the following procedures:

- All volunteers are given a copy of this Policy and are asked to sign a Volunteer Agreement (Appendix 2)
- All of our frequent volunteers must have been cleared by the Disclosure and Barring Service (DBS). A DBS Disclosure will be issued to the individual who must present it to the School Business Manager for the Single Central Record.
- All volunteers are given a copy of the "Parent Helpers and Volunteer Guidance" booklet

Online Safety

Personal devices including mobile phones and wrist watch phones that connect to the internet should not be used in school during class time. Use of phones or phone watches must be limited to non-contact time when no children are present.

Frequent or Intensive Volunteers

Activity which is described as 'frequent' or 'intensive' covers the meaning given in the Safeguarding Vulnerable Groups Act 2006. 'Frequent'—once a week or more often on an ongoing basis; and 'Intensive'— three or more occasions in a 30 day period. Volunteers who are frequent or intensive need a DBS. If a volunteer does not have a DBS they should not under any circumstances be left with a child alone.

Where a volunteer –is engaged in a 'one-off' activity e.g. helping supervise a group of pupils as part of a class visit, no formal checks are required. However, such volunteers, who will be under the constant supervision of school staff, must read and sign our Off-Site Visit Agreement (Appendix 3).

Volunteers for school visits

School visits are an integral part of learning at our school and afford many pupils opportunities which are outside their usual experiences. The class teacher or staff member leading the visit will brief the volunteer regarding the risk assessment, daily schedule and any other important pieces of information. The visit lead, who will be a staff member, has ultimate responsibility for the pupils. Pupils should never be left with a volunteer unsupervised.

Process for recruiting Volunteer who will be working frequently or intensively

- Volunteers will be directed to the school office and will be given the volunteer policy. They will be asked to complete Appendix 1 with a supporting covering letter and return these.
- A responsible officer will identify the need and role for volunteers.
- Candidates will be attracted by means of a local advert/school communications system.
- The candidate/s attend the school for an informal discussion to ensure the applicant is suitable for the role.
- Enhanced DBS check undertaken.
- The volunteer will be made aware of the role and responsibilities they will be undertaking.
- Induction- The School Business Manager will complete an induction with the volunteer.
- Volunteer records to be kept securely within the school

Before starting to help in a school, a volunteer should complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations of its volunteers and to confirm they have received a copy of this agreement. The school will seek DBS clearance for a volunteer before they come into school, to make an informed decision when accepting volunteers to work with children. This is not required where a volunteer is engaged in a 'one-off' activity.

Work Experience/ Placement Students

We are happy to take students on placement if we have suitable experiences available. Secondary schools, colleges and universities wanting students to be placed with us need to formally make contact with the Head Teacher or Deputy Head Teacher outlining the aims of the placement and duration. If the placement is as part of a teaching course (BA/ Bed. or PGCE) the Deputy Head Teacher will deal with further correspondence/ details. If the placement is just for work experiences purposes the school/ college is asked to provide the reference for the student. Moorside Community Primary School retains the authority to refuse or terminate a placement to ensure the smooth running of the school and to safeguard its pupils.

Confidentiality

Volunteers in school are bound by a code of confidentiality. Any concerns that volunteers have about the pupils they work with/come into contact with should be voiced with the designated supervisor and NOT with the parents of the child/persons.

Volunteers who are concerned about anything in the school, which may affect their work should raise the matter with the Head teacher or appropriate senior member of staff. Any information gained at the school about a child or adult should remain confidential.

Supervision

All volunteers work under the supervision of a teacher or full time member of staff. Teachers retain ultimate responsibility for pupils at all times, including the pupils' behaviour and the activity they are undertaking. Volunteers should have clear guidance from the designated supervisor as to how an activity is carried out/what the expected outcome of an activity is. In the event of any query/problem regarding the pupils understanding of a task, behaviour or their welfare, volunteers must seek further advice/guidance from their designated supervisor.

Health and Safety

The school has a Health & Safety Policy and this is signposted to volunteers working in the school. An appropriate member of staff will ensure that volunteers are clear about emergency procedures (e.g. Fire Alarm Evacuation) and about any safety aspects associated with particular tasks (e.g. using D T equipment/accompanying pupils on visits). Volunteers need to exercise

due care and attention and report any obvious hazards or concerns to the designated Supervisor/School Business Manager.

Monitoring and Review

This policy will be regularly reviewed and updated.
