23<sup>rd</sup> January 2019

Dear Parents,

## Year 4 – Geography Topic

The children in Cedar Class are currently studying the topic 'Rivers, Mountains and the Water Cycle' in Geography. To help the children with their understanding of this, we will be creating mini landscapes using natural materials.

To do this we need a few more items, which the children may find in their garden or a nearby park, such as:

- Gravel
- Sand
- Soil
- Peat
- Pebbles/stones
- Rocks
- Small twigs/leaves

If you have any of the above or can encourage your child to collect some of these items, please could you send them into school by Thursday 31<sup>st</sup> January, as this is the day we are planning on making the landscapes.

We only need small amounts and would be most grateful for any contributions.

Thank you for your help and support.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Mrs Tomlinson'.

P.P.

Mrs Tomlinson  
Class Teacher
