

# Carden Primary School

## Equality Information and Objectives 2018-19

### Introduction

Carden Primary School seeks to foster a warm, welcoming and respectful culture, which allows us all to question and challenge discrimination and inequality, resolve conflicts peacefully, promote equality and work and learn in a safe environment.

We recognise that there are similarities and differences between individuals and groups but we will strive to ensure that our differences do not become barriers to participation, access and learning and create inclusive processes and practices, where the varying needs of individuals and groups are identified and met. We therefore cannot achieve equality for all by treating everyone the same. We believe we all have equal rights, but may have different needs.

We recognise and welcome our equality duties as set out in the Equality Act 2010 and have due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Act,
- Advance equality of opportunity between people who share a protected characteristic and people who do not share it,
- Foster good relations across all characteristics - between people who share a protected characteristic and people who do not share it.

We recognise that it is unlawful to discriminate against a pupil, prospective pupil or a member of staff by treating them less favourably if they have protected characteristics:

- age (staff only),
- sex,
- race,
- disability,
- religion or belief,
- sexual orientation,
- gender reassignment,
- pregnancy or maternity (staff only in primary schools).

We link our work on equality to our duties under the Education Reform Act 1988 to provide a balanced and broadly based curriculum which:

- *promotes the spiritual, moral, cultural, mental and physical development of pupils at the school and of society; and*
- *prepares such pupils for the opportunities, responsibilities and experiences of adult life.'*

We take seriously our duty to show due regard and this is evidenced through minutes of meetings and through the completion of equality impact assessments.

We welcome the involvement of and feedback from the school community on the information and objectives published. We also actively aim to recruit parents and carers who belong to protected groups to our governing body and Parent Teachers Association. Please speak to the Head teacher with any feedback or come to one of our meetings for groups of parents and carers.

You can read more about our approach to fostering good relations in the following policies; Teaching and Learning, Equalities and PSHE.

We aim to foster good relations by:

- Having a very positive ethos in school supported by actively teaching pupils how to learn and work together. Programmes such as our Learning Journey materials, our SEAL & PSHE curriculum introducing the Felling Good, Feeling Safe Curriculum and a proactive behaviour policy are all highly visible and tangible in our learning environment.
- Providing annual staff training on at least one aspect of equality and diversity.
- Ensuring the whole school environment and curriculum reflects the diverse community within which we live. We aim for all pupils / students in our school to see themselves reflected in the stories we read, the assemblies we hold and in our displays and curriculum.
- Giving clear messages about expectations as part of school values. The school has an extensive equalities programme. In 2018-19 this includes work with Terrence Higgins Trust, work on Holocaust Memorial Day, Prevent training, Poverty Proofing Audit, work on Black History Month, work on HIV/AIDS, homophobia and tackling transgender discrimination.
- Constantly reviewing and developing the PSHE Education curriculum so that it provides opportunities to explore values and attitudes, understand similarities and differences and builds understanding of different groups and our own identities. We also use Community and Voluntary Sector visitors to enrich the curriculum and these include Allsorts Youth Project, Albion In The Community and Terence Higgins Trust.
- Ensuring any prejudice based incidents are dealt with swiftly and effectively by senior staff in close partnership with parents and pupils.
- Ensuring pupils have a good understanding of different forms of bullying, the complexities of bystander/upstander behaviour and how and when to report concerns. All classes from Yr2-6 have Bubble Time listening systems clearly established within them.

### Fostering good relations objective(s)

- Continue to work on reducing playtime incidents by enabling pupils to use school systems such a Peaceful Problem Solving Process and Bubble time. Ongoing work
- Continue to review and develop the school environment and curriculum to ensure it reflects the diversity and experience of pupils in the school.
- Continue to use our school flag as a way of sharing with the community our focus on diversity and inclusion.
- Continue our Eid Family picnic tradition.
- Continue to have a ½ termly focus on each one of our school values.

### 3 Eliminating discrimination information

We work in partnership with parents and carers, pupils and students and the whole school community to prevent all forms of bullying and prejudiced based behaviour and you can read more about our approach to bullying and eliminating discrimination in our Anti-Bullying Policy, Equality Policy and PSHE (inc Sex and Relationship Education) Policy.

All bullying and prejudiced based incidents are recorded. These records are used to inform the assembly programme and the PSHE education curriculum and to support and track individual pupils / students. Incidents are discussed during staff meetings and reported annually to governors' meetings. The school also participates in the local authority Safe and Well School Survey. This data is also analysed and used to measure impact and inform next steps. This data is reported back to the whole school community on an annual basis.

Our understanding of how discrimination could affect groups of our pupils / students is further informed by national research such as that from [Stonewall](#) (homophobic bullying), research compiled by the [Anti-Bullying Alliance](#) and local documents such as the [Domestic Violence Needs Assessment](#).

#### Safe and Well School Survey / School Survey data 2018

	LA Average for B & H Schools 2018	Carden 2018
<b>I enjoy coming to school</b>		
<b>I enjoy learning at school</b>		
<b>I feel safe at school</b>		
<b>I have one or more good friends at school</b>		
<b>My school helps me to get on with others</b>		
<b>Agree that there isn't much bullying in my school</b>		
<b>Agree that my school is good at dealing with bullying</b>		

### **Eliminating discrimination objective(s)**

- Update recording and reporting of bullying and prejudice based incidents for all staff in school to ensure recording and reporting is consistent.
- Continue to work reducing amount of prejudice based incidents and to review practice with case study work with LA and Community Safety Team to ensure incidents are dealt with as effectively as possible.

### **4 Advance equality of opportunity information**

The Staff and Governors of Carden are totally committed to ensuring that provision is made which secures the teaching and learning opportunities that meet the needs of all of the pupils so that all make maximum or accelerated progress, reach their potential and that we close the attainment gap between different groups of pupils.

Our school welcomes and shares the government's aim of tackling all forms of disadvantage and working tirelessly to ensure inclusion and equal access for all learners. We recognise that the pupil premium funding is allocated to children in receipt of free school meals and is a means of addressing some of the issues associated with social disadvantage and in particular, in narrowing and hopefully eventually closing any gap in achievement and attainment where this exists. In making appropriate provision for this we also acknowledge that not all pupils in receipt of free school meals are socially disadvantaged.

We also recognise that that not all pupils who are socially disadvantaged are registered or qualify for free school meals or belong to the other specifically identified groups. Therefore, the Governors reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as needing additional support to achieve improved outcomes in learning and/or well-being.
