

60 CLOTHES

60's clothes are not like our clothes today. They mainly had flowers on their clothes and lots of pattern's with bright colours on.

This girl is from the 60s. They called it flower power.

Moon landing

Neil Armstrong was the first man to step on the moon he said . One small step for a man but a giant step for man kind.

60S SONGS

The 60s biggest group were the Beatles.
They were then named best out of all
the other groups which were good as
well .

My favourite is the
Beatles and their albums
but I like some of the
other groups as well.

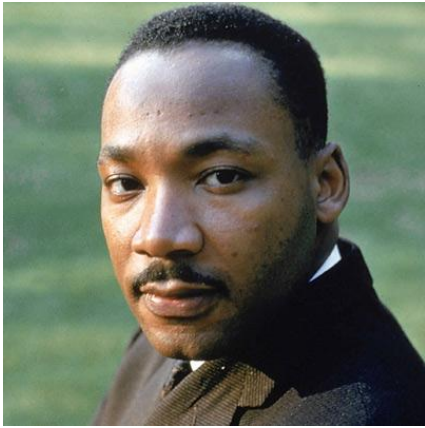

The 60s invention's

The hand held calculator was invented in the 1960's as well as the computer mouse and the compact disk. Contact lenses were also invented in the 60s as well. All of these things are from my brilliant 60s presentation.
