Marston Thorold's Charity Church of England Primary School

'Living and Learning in Faith Together'

Dear Parents and Carers

This week we have welcomed 6 visitors from a 'primary' school with pupils aged 7-15 in Elblag Poland. They are visiting schools across Lincolnshire on an Erasmus+ professional development course, with a main focus of improving standards in school. They really enjoyed their visit to Marston and were impressed with how quiet and engaged the children were in their learning. The staff enjoyed the polish chocolates too!

I am so impressed with how the school has continued on its improvement journey following our Ofsted inspection in October. We have updated and revamped our website to ensure you have the most recent and up to date information about the school. Have a look at the curriculum section to find out what your child is learning this term.

My last day with the school will be Friday 25th January, as I am being deployed elsewhere in the county. The Local Authority will continue to support the leadership of the school until Mrs Marshall returns to work. In the meantime Mrs Chadwick, Mrs Kearsley, Mrs Cox and Mrs Padgett are more than happy to answer questions or talk through any concerns you have.

Thank you for making me welcome in your school, it is a wonderful community school with huge potential. I wish Mrs Marshall a speedy recovery and hope to hear she is back soon.

Mrs Kate Rouse
Interim Head Teacher

Winter Weather

As it is getting colder and with the possibility of snow; please make sure that your child has the appropriate winter clothing in school. Whenever practical your child will be outside for playtimes including lunch. Make sure they have a coat, hat, scarf and gloves with them everyday and if it has been snowing wellington boots. They will then be able to be enjoy playing outside.

In the event of snow and no wellies/suitable outdoor footwear they will not be allowed out in their everyday school shoes.
