

Trips and Visits for Spring Term

Dear Parents / carers,

We are excited to inform you of two upcoming events that we have arranged for year 2 children. These activities have been organised to link with the spring term curriculum.

Magic Morning

To link with our class book, *Leon and the Place Between*, we are thrilled to inform you that we will be joined at school on Friday 25th January by a real life magician! He will be performing a short "close up" magic show for all children and then inviting them to interview him about life as a magician. Children will be writing information texts about magicians the following week. The cost of this will be £2.60 per child.

Country Park Habitats Workshop

On Wednesday 6th March, year 2 children are all invited to attend a workshop at Hornchurch Country Park to link with our science unit - *Living Things and their Habitats*. We will provide more information about this nearer the time. The cost of this visit will be £6 per child.

To support us in arranging exciting visits like these to enhance the curriculum, we would like to ask for a voluntary contribution of £8.60 per child. Payment is due by Wednesday 6th February.

In line with all other schools in Havering and across the UK, we have to stipulate that contributions towards trips/workshops are on a voluntary basis. However, should contributions meet less than 90% of the cost of running a single trip; the trip will be cancelled as the school cannot be expected to meet these costs. Please see our Trips Policy on the school website.

Payments to be made via Parentmail, however you will need to be registered to access this facility. When you log into your Parentmail account, click on Payments tab, Shop and follow instructions. If any parents need help with parentmail payments, please contact Mrs Knapp in the school office.

Please speak to your child's teacher if you have any queries about either of these events.

Kind Regards

Mrs Austin Warwick

SENCo
