Dear Pupils of Morley Victoria Primary School,

Thank you for making me feel so welcome when I visited your school recently to reassess 'Investors in Pupils'. You were all extremely polite, friendly and very well behaved. You are obviously proud of your school and the work you are doing to make it an even better place for everyone. Thank you for helping to make the assessment day go so smoothly.

I am very grateful to Emily, Shashi and Jake who presented to me as well as the School Council and other pupils who came to talk to me, for helping me to understand how your school works. A special thanks also to Courtney, Freya and Harry for an excellent tour of the school. Everyone I met had a lot to tell me and you were all very clear and confident!

I was very pleased to find out about the many things that the staff do to help you. They work hard to make the school such a good place to be where everyone enjoys their learning. You showed me many examples of the excellent work that has been completed by pupils in every age group, in your workbooks and on display.

You told me that:

- You work together to make this school a better place for everyone.
- You help and care for each other.
- Behaviour is very good at your school and everyone understands the rules about behaviour.
- You enjoy coming to school, feel safe and know that learning now will help you in the future.
- Your teachers make lessons interesting and fun.
- You get lots of opportunities to talk and work together which helps you with your learning.
- You have targets and try hard to achieve them.
- You like that you can choose the rewards you receive.
- Your ideas are listened to and the school/class councils mean your ideas can be promoted.
- You know a lot about how the school spends its budget and how you can help save money.
- You know the school governors, what they do and how they help the school to improve.
- Your teachers listen to your ideas and you can have a say in what happens to the school.
- The School Council is very important in school and they work hard to make your ideas happen.

I have some suggestions for work you may like to do in the future to make 'Investors in Pupils' even better in your school. I am sure Mr Elstub, Miss Cook and Mrs Maybank will talk to you about these. You might also have some ideas of your own.

Well done to all of you! I hope that you are going to have a big celebration now that you have once again achieved the 'Investors in Pupils' award.

I really enjoyed my visit to your school – keep up the good work!

Yours sincerely,

Steve
