Proposals for Focus for 2017-2018 After evaluating 2016-17 outcomes

Key objectives and actions for 2017-18.

To continue to improve the general fitness of pupils at Staincliffe Continue to grow participation in competitive sport. Broaden the experience of sports		Initial questionnaires show that aprox. 5% children access activities outside of school or take part in active sports Many children state they 'do not enjoy' sports/ PE sessions in school. Last year we were successful in growing a healthier attitude to exercise. More took part and enjoyed sessions, over 20% school took part in competitions. <ul style="list-style-type: none"> • Buy in expert coaches- support children & teachers with competitive sports training • Promote a wider range competitions & activities • Promote girls sport • Provide coaching for new sports- children have requested basketball • Encourage children to take part in out of school clubs- encourage understanding of a life style not just school. 			
To increase sustainability by improving indoor and outdoor resources/ facilities		<ul style="list-style-type: none"> • Improve basketball provision • Improve football resources
