

MULTI ACADEMY TRUST

MATHS LEARNING COMMUNITY

NETWORKING MEETING

Is your school promoting and developing fluency effectively?

Are you prepared for the times tables check?

Are your children fluent in mathematics?

Are they able to apply their arithmetic knowledge to problem solving and reasoning?

Do you feel confident that mathematics data is on an upward trend?

Are you ensuring that children are provided with Greater Depth challenge opportunities?

Intended audience: Maths Curriculum Leaders

Date and Time: Tuesday 26 March 2019, Coffee at 2.45pm,
3.00pm to 4.15pm

Venue: Higher Lane Primary School, (on-site parking)

Cost: FREE

A networking opportunity to discuss and share practice between Mathematics Curriculum Leaders across Bury with a focus on:

- ensuring that Mathematics Leaders are promoting fluency effectively
- developing a mathematics curriculum that promotes fluency and application to problem solving and reasoning
- opportunities to share good practice on how a fluency policy can be used to ensure progression in mathematics
- preparation for the times tables check and how to ensure children are ready
- how we can ensure Greater Depth challenge opportunities and challenge across all levels of the mathematics curriculum

Don't miss out! Join us for this networking opportunity

To confirm your attendance please email training@visionmat.com by Friday 16 March 2019

We look forward to seeing you
