Doing and Visiting

Learn family and celebration themed rhymes and songs.

Make a trip to the local park near your home explore the locality and compare different homes and communities.

John Bramston Primary School

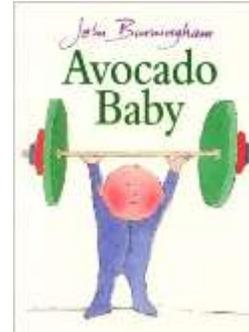

Autumn Term 2018

Reception

Our Learning Journey is...

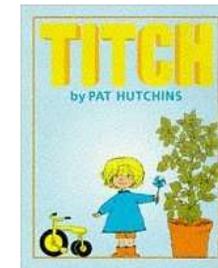

'All about me'

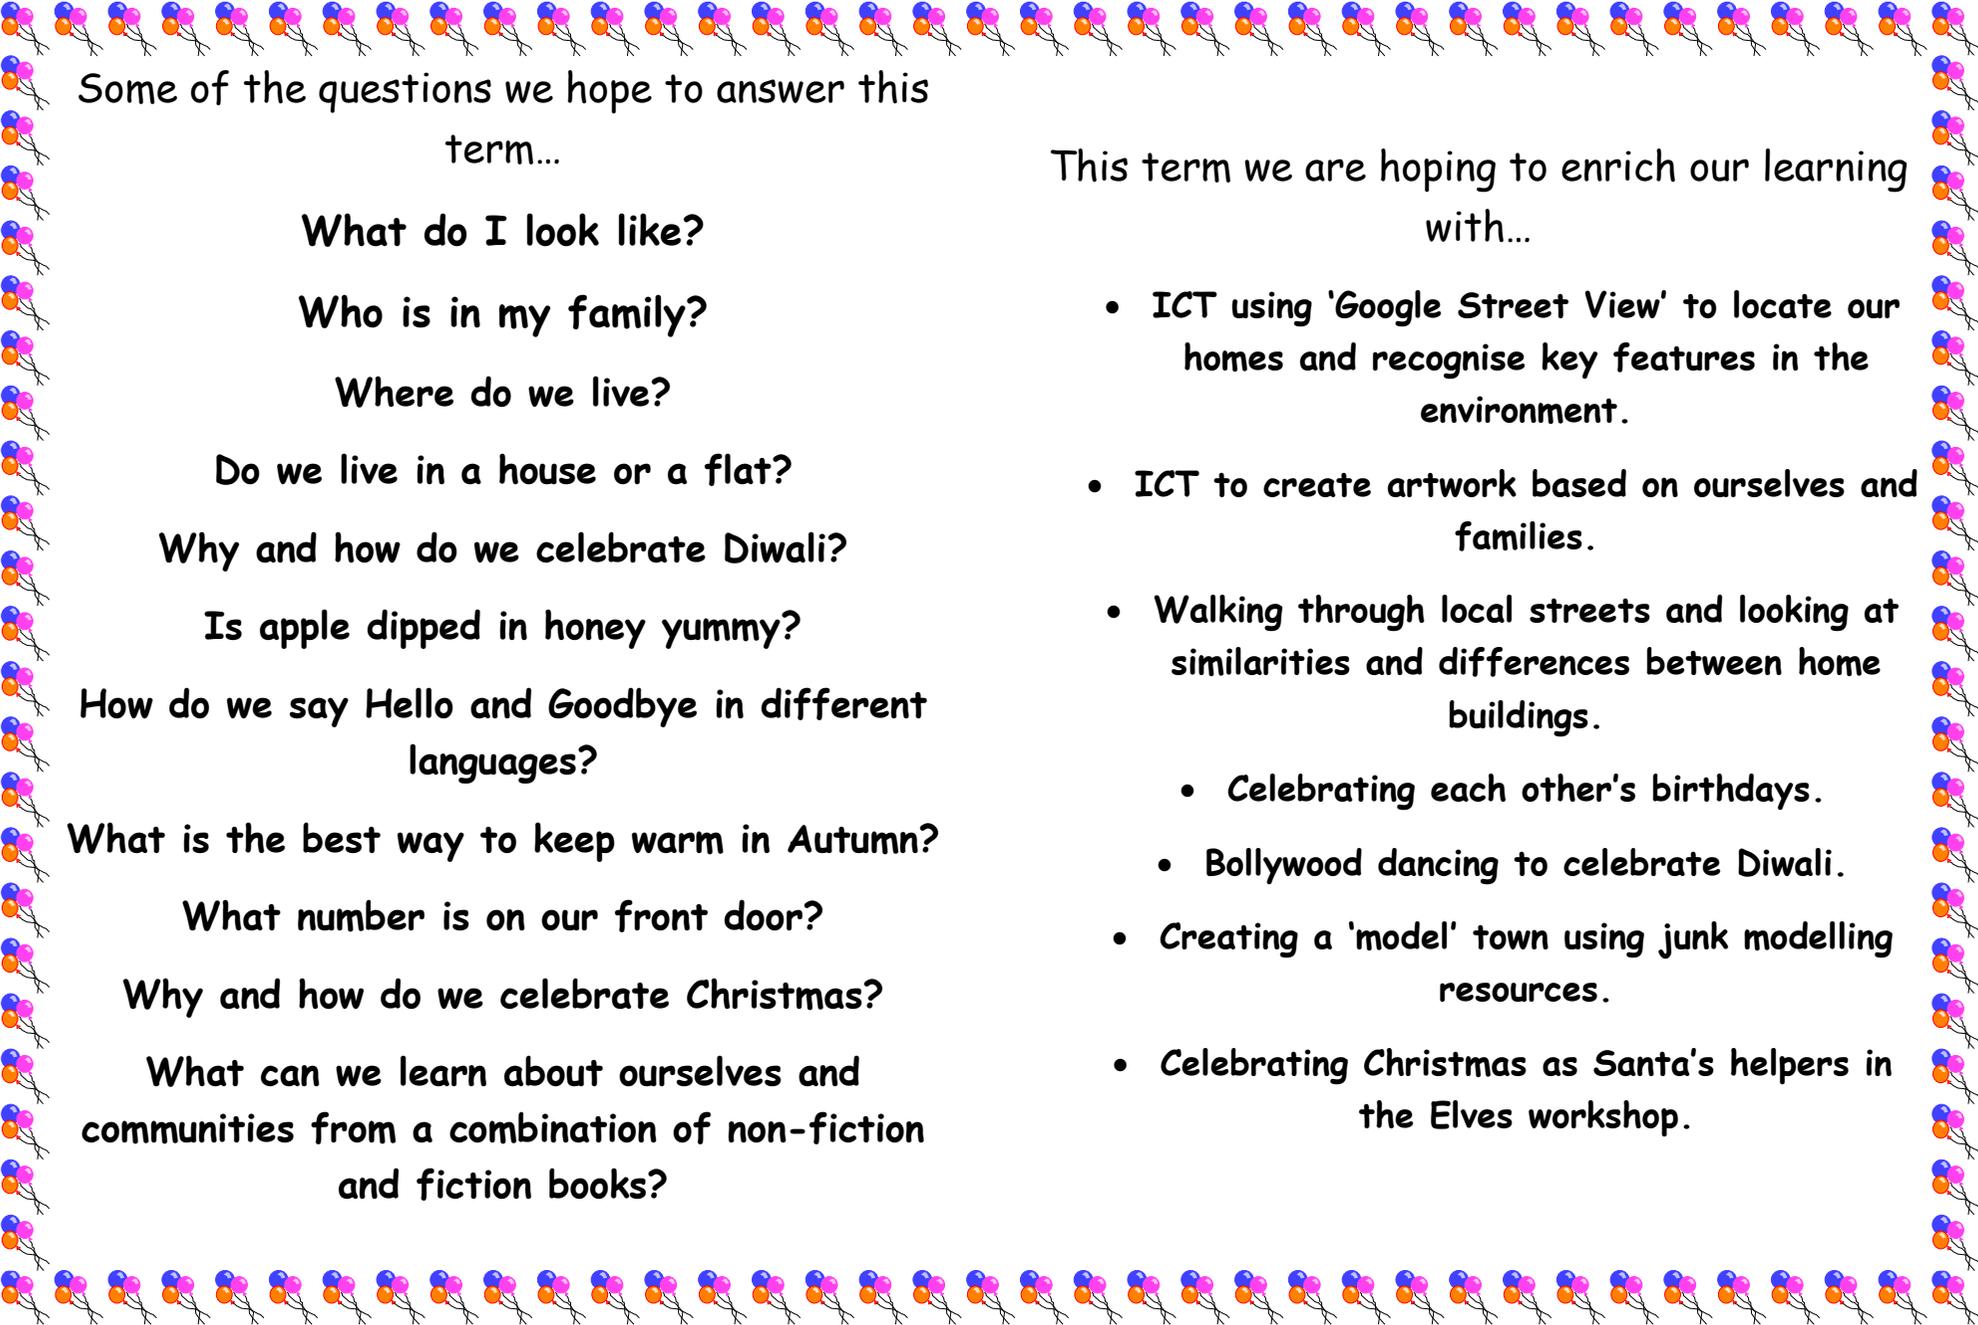

We are looking at a variety of books that look at ourselves/communities and celebrations.

Below are a few of the books we will be using:

- Avocado Baby
- Funny Bones
- Titch
- Wibble Wobble
- Oliver's Fruit Salad
- Peace at Last

Some of the questions we hope to answer this term...

What do I look like?

Who is in my family?

Where do we live?

Do we live in a house or a flat?

Why and how do we celebrate Diwali?

Is apple dipped in honey yummy?

How do we say Hello and Goodbye in different languages?

What is the best way to keep warm in Autumn?

What number is on our front door?

Why and how do we celebrate Christmas?

What can we learn about ourselves and communities from a combination of non-fiction and fiction books?

This term we are hoping to enrich our learning with...

- **ICT using 'Google Street View' to locate our homes and recognise key features in the environment.**
- **ICT to create artwork based on ourselves and families.**
- **Walking through local streets and looking at similarities and differences between home buildings.**
 - **Celebrating each other's birthdays.**
 - **Bollywood dancing to celebrate Diwali.**
 - **Creating a 'model' town using junk modelling resources.**
 - **Celebrating Christmas as Santa's helpers in the Elves workshop.**
