We will treat everyone as an individual and unlock their potential. Our schools will be productive and positive places of learning.

We will encourage all to be proud, respectful, understanding and work together. We are all leaders of our learning community.

We will ‘go the extra mile’ to keep everyone well, safe and healthy.

We will promote, broaden and develop talent through experiences in S.T.E.A.M., Music and Sport.

We will develop ‘global awareness’ for life in a technological, diverse and competitive world

Our Pledges were reviewed by pupils, parents, community members, staff, Local Advisory Committee Representatives and Directors of The Keys Federation Academy Trust.
