Dear Parent/ Carer

Spring Homework Year 3

Homework is set every Wednesday and due the following Monday

Reading: Year 3 are expected to read every night for at least 10 minutes. This should be recorded in the child’s Reading Record. It is beneficial to ask them questions based on what they are reading to further their knowledge and understanding.

Spellings: Year 3 receive group spellings to practice at home every week. This is given on a piece of paper for the children to record and practice. Your child may also continue to use their spellings in their spelling booklet which was given at the last Parents’ Evening.

Maths: Year 3’s maths homework will be set on Mathletics. The children have been given their login to complete this homework. If there is an issue with logging in at home, a paper version can be given. Please speak to your child’s teacher if you require this. Mathletics homework will be monitored online. Your child may also continue to use their times table booklet which was also given at the last Parent’s Evening.

Project: The school’s homework project is entitled: *When I am older I’m going to be*... If your child wishes to do the project, children are invited to research and present this in a format of their choice. They can bring their project in up until the end of January. We hope to display the projects around the school.

After assigning this homework, teachers expect to see an improvement in reading, spelling and times tables. If you have any questions regarding homework for this term, please do not hesitate to speak to your child’s class teacher.

Yours faithfully,
Miss Villa, Miss Ferreira and Miss Groom.
