

Science

We are exploring plants and how they grow in Science. Draw/paint/make/grow a plant.

Brunel

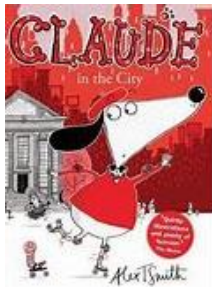

Draw/make SS Great Britain.

Home Learning Project

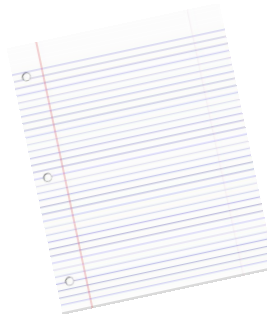

Literacy

Write about another adventure that Claude could go on.

R.E

Our Christian Value is Endurance. Write about a time you have shown endurance.

Each child should choose one project from the options above. The projects are designed to be completed over the course of the term, about 5 weeks.

There will be an opportunity for parents to come in to class to celebrate and view the homework projects at the end of term. More details to follow.

The home learning projects are an excellent opportunity for children to extend their learning.
