Assistant Head: Mrs F Hurcum
Assistant Head: Mrs D Lister

Spring 1 Week 2 Newsletter

Round up of the week

- On Wednesday afternoon 15 children went to Whittington Green School to take part in a Boccia festival. We had a great time and the children mixed really well with children from other schools. It wasn't a competition, which is a shame, because we have been training for this and were determined to bring a trophy back to the school.
- Reception had their second session on the balance bikes and are getting really confident.

Coming up next week

- Year 6 spend three days at Dobroyd Castle, Todmorden next week where they will be rock climbing, canoing, caving, completing team challenges, zip wiring, archery and much more. It is a fantastic few days in a well organised location and I know the children are going to love it. It is going to be cold though so wrap up warm!
- Bank will be open for Year 2 to Year 6 children on Thursday morning from 8.30am
- Thursday morning Reception have their final day of balance bike training.
- Year 5 will be going swimming on Thursday afternoon. Please remind them to bring their swimming kits.

Reminders

- Mr and Mrs Johnson raised over £140 from their Christmas Lights this year. This is a fantastic amount and I would like to say a massive thank you for this. We are using the money to buy balance bikes for Reception so that they, and other children throughout school, can continue to practice and become confident in riding a bike.
- Some people have asked for term dates for next year. Please find them on the reverse of this letter. As soon as 2021 dates are released I will share them with you.
- Can I remind you that it is 50p per child for breakfast club. There are growing numbers of children who are coming early and going into breakfast club. Even if they are not eating they will still have to pay to cover the cost of supervising staff.

Thank you
