

Residence Meeting

Date:	23.01.2019
Young People who attended:	All young people in residence this evening were consulted
Children's Rights Officer attended?	Becky Hunt

What we discussed:

1. Avatars for bedroom doors- do the young people want to keep their current Avatar or change it with a picture of interest?

Young People's Views:

We showed the young people the door signs and asked their views.

Sam – Went to put his door sign on the door to show us where it goes. Sam did not share any views about the sign; but staff discussed his favourite colour is blue at the minute.

Lily- Would like hers to have a picture of a red car on it (instead of the Avatar) and for the writing to be blue.

Daniel – Did not share any views about the door sign today.

Callum- Staff asked Callum to put his hand up if he liked the Avatar on it; and he did. Staff asked him to put his hand up if he would like a different picture, and he did.

Kyle- Was asked if would like the Avatar or a picture of Horrid Henry. Kyle pointed to the current Avatar picture.

Nathan – Did not share any views about the door sign today..

Ben- Was not able to be consulted today as was busy.

Isabel – Would like the Avatar of herself; and writing/boarder to be pink.

Bobby- Would like an Avatar of himself and he said he has 'golden yellow hair.' Would like writing to be yellow and for it to have purple on it too.

Tyler- Would like it to have a cartoon character from Roblox. (Tyler has a book that has 3 characters stuck onto the front of it. He would like the same character to be used that is in the middle.)

Amy- Would like a picture of Hello Kitty and for the writing/any boarder to be Pink.

William- Wants it to be exactly the same as he has got now; with no changes.

Ohene- To have a Chelsea Football Team flag and the same writing he has on his now.

Reece- To keep it as it is.

Adam – Would like to keep his the same, with no changes.

Samuel- Did not share any views about the door sign today. Staff said he likes lots of different colours and water.

Outcome (To be completed when actioned)

Roscoe will be asking all young people who access the Residence whether they want to keep their current Avatar or change it for something of interest and what colour border to they want and also what colour writing do they want. Roscoe will then create new Bedrooms door signs for all young people which will be completed in due course.
