

MATHS MORNING

at

Upton Snodsbury C of E First School
Thursday 31st January 2019 , 8.45 - 10.00 am

All parents are welcome to join us to participate in our fun number activities which will help children to develop their basic skills in maths. There will be a short presentation on how the skills help with calculation in KS2 and some activities to try. Then there is time with your child in class to play some number games which develop their year group skills.
